## IKE FACES AN INCREASINGLY UNFRIENDLY CONGRESS AS PERSONAL VICTORY GROWS

### Budapest Radio Says Nation Is Facing Famine

By WILLIAM L. RYAN

Vienna (AP) — Budapest radio announced today famine threats revolt-torn Hungary. It begged the country in the name of the Russians' puppet government to struggle back to normal.

Rebel radios fell ominously silent. One of the last broadcasts heard here said fighting continued near Budapest "with unchanging violence."

From Geneva, the International Red Cross committee asked the Soviet government to negotiate with the Hungarian combatants for an immediate truce in the battle of Budapest to permit evacuation of wounded.

Numerous casualties of street fighting at noon yesterday were reported lying where they fell and cut off from medical aid.

Within the Hungarian capital, raged by Soviet tanks in formations that resembled siege lines, Radio Budapest urged all food-stuff workers to return to their jobs at once.

So urgent was the situation that the government ordered trucks engaged in transport of provisions to carry big, easily visible signs identifying them as food trucks.

The same broadcast indicated a severe shortage of shoes and clothing. It appealed to pawn shops to return all shoes and clothing worth less than 500 forints—about \$45 at the official rate—to their owners without payment of premiums and present the pawn slips to the Finance Ministry.

### But One Newsman On Adlai's Trail For Trip Back to Farm

By BERNARD GAVZER

Libertyville, Ill. (AP)—For months, Adlai E. Stevenson could hardly utter a word without finding someone at his elbow, ready to write it down and report it.

For months, there was the prospect that he might become president—and the statements were regarded as important news.

No legions of newsmen and photographers, no tangle of television camera cables awaited him as he returned late yesterday to his farm home near this Chicago suburb.

When the two-time loser in races for the presidency left his downtown Chicago hotel headquarters for the 40-mile trip, one newsman, two photographers and a newsreel cameraman followed him.

At his farm home later only one newsman kept vigil.

His news secretary Clayton Fritchey indicated to newsmen Stevenson might make a series of speeches to help pay off a Democratic party campaign deficit which likely will reach more than a million dollars. After his defeat in 1952 and with the party more than \$800,000 in the red, Stevenson made several speeches at party fund-raising dinners.

### Record Number County Voters Turn Out for Tuesday Election

Republicans in Warren County turned out a record 93.6 percent of their registered voters for the election Tuesday. The figure came as a pleasant surprise for Republican committeemen who had been hoping for an 80 per cent turnout.

Total Republican registration figure was 12,864. Of that number, 12,030 voted.

Democrats also did well. Some 4,441 out of a total Democratic registration of 5,800 voted, or approximately 76.5 per cent.

Total Warren County registration was 19,154. Out of the num-

### Final Count in Senatorial Race In State of Kentucky Is Likely To Decide the Balance of Power

BULLETIN

Louisville, Ky. (AP)—Republican Thurston B. Morton, former assistant secretary of state today apparently won a U. S. Senate seat from Kentucky, defeating Democratic Sen. Earle C. Clements. Unofficial returns from 3,822 of 4,052 precincts gave Morton 479,215 votes and Clements 474,898, an edge of 4,317 for Morton.

By JACK BELL

Washington (AP)—President Eisenhower was confronted today with the prospect of an increasingly unfriendly Congress in the aftermath of his sweeping re-election victory.

Although he defeated Adlai E. Stevenson by more than nine million votes, his party took a political defeat when Democrats won margins in both houses of Congress.

Neither was there concrete evidence to substantiate Eisenhower's contention that "modern Republicanism" had achieved a victory. On the contrary, it appeared that the personal popularity which gave him 41 states and 487 electoral votes did not sift down to the general run of GOP candidates.

Increased antagonism by the new Congress above that displayed by the Democratic 84th to some of Eisenhower's proposals seemed likely to make itself felt primarily on domestic issues.

The narrowness of party margins in both Senate and House made it certain that on most issues final decisions, as in the past four years, would be made by two-party coalitions rather than on strict party lines.

Eisenhower's own victory surpassed his 1952 triumph over Stevenson in both popular and electoral votes.

With some 10,000 precincts not yet tallied, the popular vote was 33,665,121 for Eisenhower to 24,651,172 for Stevenson.

A still undecided Kentucky senatorial race seemed likely to decide the firmness of Democratic control over that body.

In the House the Democrats had elected 229 members, 11 more than the necessary majority, to the Republicans' 198. Democrats were leading in six of the seven undecided races.

The present division is 232-208. For the President, the cold, hard indications of a second-day look at the balloting results pointed in these varying directions:

Congressional Democrats, assured they could survive a presidential landslide, exhibited new confidence they can draft their own legislative program and pit it successfully against Eisenhower's.

These Democrats seemed to have discarded any belief that (Turn to Page Eleven)

### First Snow of Season Falling in Some Areas

By The Associated Press

It was cold today in broad areas of the western two thirds of the country, ending a long spell of mild weather in many places.

First snow of the season fell in sections of the north central states but amounts were generally light. The snow belt spread from the northern Mississippi Valley into the Great Lakes region.

Heaviest area of precipitation during the night and early morning was in the southern Appalachians, and southward to the Gulf. Rain measured nearly half an inch in some places. Scattered rain was reported in Texas, Oklahoma and along the eastern edges of the Rockies in Colorado.

Generally fair weather prevailed in most other sections of the country.

Republicans in Warren County turned out a record 93.6 percent of their registered voters for the election Tuesday. The figure came as a pleasant surprise for Republican committeemen who had been hoping for an 80 per cent turnout.

### DEADLOCK IN THE MAKING IN HARRISBURG

Harrisburg (AP)—Governor Leader pledged today to continue to "fully exercise the prerogative of leadership of the executive" without regard to Tuesday's sweep which gave Republicans complete control of the State Legislature.

"I fully expect to exercise the prerogative of leadership of the executive as I have in the past," he replied to the question of what his attitude will be toward the GOP legislature. But, taxes are a different problem, the governor added. He declined to take any stand on that question at this time.

Harrisburg (AP)—A deadlock appeared to be in the making today on political control of the General State Authority and the State Highway and Bridge Authority.

Republican control of both branches of the 1957 Legislature, assured by Tuesday's voting, is expected to remove complete Democratic domination of the two huge borrow-and-build agencies after January 1.

As it now stands, each of the two authorities is in the hands of the Democrats by a 7-5 margin. Under the new political lineup, the division will be 6-6.

The shift will be the result of the Democrats losing control of the House. Instead of two House Democrats and one Republican being on the authority, it will be just the opposite.

It will give the GOP an important role in determining policy on contracts as well as patronage of the GSA and SHEA. The GSA has a borrowing capacity of 335 million dollars; the SHEA upwards of 80 millions.

President Eisenhower's landslide victory gave Republicans control of both branches of the Legislature. The House will be divided between 127 Republicans and 83 Democrats; the Senate, 27 Republicans and 23 Democrats.

But the political phenomenon of Tuesday's voting was Republican Senator James H. Duff's defeat for re-election in the face of Eisenhower's overwhelming triumph. There hasn't been anything even like this in Pennsylvania history.

U. S. Senator-Elect To Take a Long Vacation

Philadelphia (AP)—U. S. Senator-elect Joseph S. Clark prepared today to take a two or three-week vacation to rest from the rigors of his campaign against Republican incumbent James H. Duff.

Clark who defeated Duff by a thin margin in Tuesday's election despite a Republican sweep of Pennsylvania otherwise said he will leave tomorrow afternoon on his vacation.

The former mayor of Philadelphia still declined to make anything like a victory statement in view of the close tally.

With only two of the state's 8,808 precincts unreported, and an estimated 50,000 absentee ballots to be counted, Clark held a majority of 17,345 over Duff in a total vote of 4,467,218. The absentee ballots are not expected to alter the decision.

QUARRY OWNER KILLED  
Monongahela (AP)—The forks of a high-lift machine collapsed yesterday while 49-year-old Abe Celapino was repairing it, crushing him to death. Celapino was a quarry and tavern operator near this Washington County community. His craftsmanship earned him the title the "da Vinci of the Upper Monongahela Valley."

Field was taken to the hospital Oct. 21. The following day he underwent brain surgery. Until today he had been described as in fair condition.

Mrs. Field said her husband had been ill for about six weeks before the operation was performed.

Field inherited one of the world's greatest fortunes—in the neighborhood of 160 million dollars—from his merchant grandfather, founder of the Chicago department store bearing his name.

Since his grandfather died in 1906, the estate was not subject to federal inheritance taxes.

### Court To Hand Down Decision On Moon's Motion for a New Trial on January 9th, 1957

The Moon trial in Warren County courts will probably come to an end at 1 p. m., Wednesday, January 9, 1957, almost three years to the day when the convicted slayer advanced toward the bar of justice emptying a pistol at everyone in sight and finally fatally wounding Judge Allison D. Wade.

The January 9th date was set by Judge Alexander C. Flick as the time he would hand down his opinion on the defense motion for a new trial. An immediate sentencing is probable for Norman W. Moon whose own defense counsel called his deed "heinous" during the special court session yesterday afternoon.

The trial jury had already set a mandatory death penalty for the act of January 13, 1954, after the jurors brought in a verdict of guilty to first degree murder charges, with no recommendation for mercy.

Frank Lawley, now in charge of the Commonwealth's case, took only ten minutes of court time yesterday afternoon in which to refute head defense attorney Sam Braemer's reasons for a new trial.

Braemer, in his oral arguments for a new trial, had stated: (1) That Judge Flick had perhaps been "over zealous" in his efforts to fill the jury box, had not recognized obvious bias of prospective jurors, had forced the defense to use up its challenges;

(2) That the court had sustained an objection to a question which would have given the defense counsel an insight into a prospective juror's feelings on the plea of insanity;

(3) That a statement transcribed in Warren General Hospital by Sgt. Charles Naddio was taken from the defendant while he was in a semi-conscious condition with a bullet wound in neck, was suffering shock and loss of blood and such a statement should hardly be considered worthy of evidence;

(4) That court stenographer Bernice Seavy while testifying on cross-examination was asked what attracted her attention to Moon, she replied she hadn't liked his looks, defense asked "Why" and before witness Seavy could answer the Commonwealth objected.

(5) That a juror, Henry Honhart, had been accepted, then dismissed, because he allegedly was biased in favor of Moon, according to gossip circulated the day Honhart was tapped for jury duty as he stood near the court house;

(6) That there was case after similar case where a defense of insanity had been accepted.

The Commonwealth's Lawley disposed of those arguments in rapid fire by stating: (1) The judge had a right to question prospective jurors; (2) The judge had a right to interpret matters of law in his own court; (3) that it was legally justifiable to question Moon in the hospital, the defendant might have died and some statement was needed; (4) another matter of interpretation; (5) for obvious reasons the juror was dismissed who showed bias; (6) regardless of the cases to the contrary the question of insanity was no longer up for consideration by the judge—had already been decided by the jury.

At the close of the session, Judge Flick granted the defense two weeks in which to file briefs of its arguments, granted the Commonwealth an additional week in which to file supplementary briefs.

Death Claims Head of The Field Enterprises

New York (AP)—Marshall Field III, multimillionaire philanthropist and head of Field Enterprises, died today at New York Hospital. He was 63.

His wife Ruth was at his bedside. Field was taken to the hospital Oct. 21. The following day he underwent brain surgery. Until today he had been described as in fair condition.

Mrs. Field said her husband had been ill for about six weeks before the operation was performed.

Field inherited one of the world's greatest fortunes—in the neighborhood of 160 million dollars—from his merchant grandfather, founder of the Chicago department store bearing his name.

### New York Communists Observe Anniversary

New York (AP)—A menacing crowd of 3,000 surged toward the headquarters of the Russian United Nations delegation on Park Avenue last night as the Red ehte within downed champagne and vodka toasts to the 39th anniversary of the Bolshevik Revolution.

A force of about 150 police—some of them mounted—barred the shouting pickets from the entrance.

Many in the crowd were of Hungarian descent. Numerous students of several colleges joined the demonstration.

### Dauphin Alderman Claims Power To Cite Gov. Leader

Philadelphia (AP)—A Dauphin County alderman told the Pennsylvania Supreme Court today that a 120-year old state law gives him legal power to issue a warrant accusing Governor Leader of criminal contempt of court.

J. L. Grimes of Harrisburg, in an answer filed by his attorneys, Frederick G. McGavin and Earl V. Compton, asked the high tribunal to dismiss a petition for a writ of prohibition filed by Atty. General Herbert B. Cohen.

The attorney general had appealed for dismissal of warrants issued by Grimes for the governor on criminal information filed last October 26 by Charles W. Stickler Jr., president of Manu-Mine Research and Development Corp.

Leader has charged Manu-Mine with conspiring to defraud the state in connection with work it had done for the Pennsylvania Turnpike Commission. Manu-Mine has denied this and has filed legal action in Dauphin County for money allegedly due it under contract recently cancelled by the commission.

In addition a Dauphin County grand jury is investigating Justice Department charges that Manu-Mine defrauded the state.

Jaycees Busy Selling Reserved Seats For Saturday's Classic

Warren High School Dragons will play their last home game Saturday against Jamestown. The Warren Junior Chamber of Commerce hopes that all football fans will be on hand to support their team and to aid the War Memorial Field Fund. The three home games followed the Corry encounter found the reserved seat section one-quarter full and the parking lot almost empty. The J. C.'s point out that they donate their services to the school board to supervise the reserved section and parking lot at the field and that all money collected goes into the Memorial Field Fund. The purpose of the fund is to raise money for further development of Memorial Field.

A seat in the reserved section is a twenty-five cent donation to the Memorial Field Fund. This donation is in addition to the regular price of admission. The holder of a reserved seat ticket is guaranteed a seat whether he is there for the kick-off or at sometime later in

the game. The J. C.'s will be on hand Saturday to supervise the reserved section and to operate the parking lot. The price of parking is twenty-five cents and this also is a donation to the Memorial Field Fund.

The United Cigar Store, B & B Smoke Shop and Mack's Newsroom have tickets for the Jamestown game for anyone who wishes to purchase a reserved seat in advance.

Warren High School Student Council has completed plans for a "Beat Jamestown" bonfire and snake dance at Beaty Field at 7:45 p. m. Friday. After the bonfire, there will be a pre-game dance at the Youth Canteen, with admission 25 cents per person.

Another pre-game activity is the sale of blue and white "Warren" buttons by a corps of Student Council salesmen. Advance price for this booster insignia is 20 cents, with a charge of 25 cents at the game on Saturday.

### CANAL CEASE-FIRE HANGING IN BALANCE AS THE WARRING NATIONS OPPOSE CONDITIONS

BULLETIN

London (AP)—Israel reported new attacks by Arab raiders from Jordan along a 30-mile section of frontier today even as United Nations officials sought to put the precarious cease-fire in Egypt on a firm footing. Salpeter fire cracked at Fort Said in the Suez Canal zone yesterday against French and British troops, and one sidrmlush was fought between an Egyptian patrol and British tankmen. The United States, fearful of intervention by Soviet "volunteers," was reported urging all possible speed in getting a U. N. police force into the area to back up the cease-fire and supervise withdrawal of French-British forces. Canada's Maj. Gen. E. L. M. Burns, who has been the U.N.'s chief truce observer in Palestine, arrived in Cairo today to make preparations for taking over command of the U. N. police force.

London (AP)—The Suez Canal cease-fire appeared to hang by a thread today as the warring nations stood fast on opposing conditions for ending the strife.

The United Nations pressed efforts to set up an international force to police the cease-fire and withdrawal of British, French and Israeli troops from Egyptian territory.

But these efforts faced stubborn snags as British and French soldiers beat off Arab snipers on battered Port Said.

Britain and France flatly refused to pull out of the canal zone until the U. N. police force took over the area. Israeli Premier David Ben-Gurion said his government would not agree to any foreign force being stationed in Israel or on any territory it had occupied. Egypt demanded immediate withdrawal of the British, French and Israeli troops, a demand endorsed by the U. N. General Assembly in a resolution last night.

Despite the conflicting demands of the combatants, the Assembly authorized the command of the new U. N. force, headed by Canadian Maj. Gen. E. L. M. Burns, to "proceed forthwith with the full organization." Twelve nations already had offered troops, and some U. N. delegates predicted the first units would arrive in the Suez in two or three days.

On the canal front, Egypt said her people were still fighting hard last night in Port Said, Mediterranean terminal of the waterway.

Gen. Sir Charles Keightley, British-French commander said after visiting Port Said yesterday, "There has been no fighting since the cease-fire became operative, but there was a case of looting by Egyptians this morning."

British-French headquarters announced later the cease-fire was broken temporarily yesterday in a skirmish between an Egyptian patrol and British tank troops.

The communique said two Egyptians were killed and one Egyptian and one Briton wounded when the patrol opened fire on the tanks while the Britons were cleaning their weapons.

Associated Press correspondent Leonard Liddington reported from the occupied city last night that the British-French forces had full control—but that there was no peace.

He also said most of the wounded were victims of Egyptian snipers or snipers themselves. Associated Press correspondent David Mason, after a tour of Port Said, said an Egyptian mob looted a flour mill in the city and occupation troops fired on them.

Electricity was cut off in much of the city. Many of the 177,700 inhabitants had fled. Many of those remaining stared gloomily from balconies at the troops, tanks and other vehicles as they moved through the streets.

## Warren County Is Certified Area For Brucellosis

According to O. C. Tritt, county farm agent, Warren county became a modified certified area for brucellosis eradication November 1, indicating that this disease has been almost completely eradicated in county dairy herds and that dairymen are producing pure milk from disease-free cows.

Mr. Tritt reports 15,438 cattle have been tested under the program, according to the certificate received in the Agricultural Extension Office this week. The certificate was signed by E. D. Leiby for the United States Department of Agriculture and Dr. H. A. Milo for the Pennsylvania Bureau of Animal Industry.

Dr. Milo stated in an accompanying letter that he wished to thank the committeemen, as well as the herd owners and cooperating agencies in making the certification of Warren County possible.

On the Warren county committee are Carleton J. Curtis, Columbus; Dr. David Rice, Robert W. Johnson, Warren; Robert Scott, Bear Lake; Robert Menbon, Pittsfield; Virgil Williams and Tom Leathers, Akeley. This group has worked for a number of years to bring up the standards of Warren county dairy herds and is to be congratulated on helping to successfully complete the program.

## Legion to Observe Veterans Day With Dinner on Saturday

The annual Veterans Day (formerly Armistice Day) thirteen dinner will be held at the Legion Home at 6:30 p. m. Saturday. This dinner is a joint affair of both the Legion Post and the Auxiliary.

Guest speaker will be Fred Johnson of Bradford. Mr. Johnson was one of the first American G. I.s to meet the Russians at the Elbe River in Germany. About two years ago Mr. Johnson was invited by the Russians to a reunion in Moscow celebrating the joining of the American and Russian forces. Fred will relate some of his interesting experiences during his trip to Russia.

Mrs. Emma Kiernan will be Auxiliary chairman for the dinner. The main course of meat, dessert, rolls and coffee will be provided. Dancing will follow the program in the lounge and all members of both the Legion and Auxiliary are urged to attend.

#### TRADITIONAL CLASSIC COMING UP

Every citizen should be interested in the traditional meeting between Jamestown's sturdy Red Raiders and Warren's Blue & White footballers at War Memorial Field Saturday with kickoff scheduled for two o'clock, instead of the earlier 1:30 time that has prevailed for previous home games this season.

As far back as 1893 this rivalry has been under way. As a matter of fact the schools clashed two times that year, Warren winning 14 to 0 and 12 to 4.

It will be a big day for the Warren High School students and the town in general. The team has a 6-3 record for the season; Jamestown has four losses and three wins.

It has all the earmarks of a real classic. Better plan to be on hand.

#### WORLD FELLOWSHIP WEEK

World Fellowship Week, an international period of prayer for peace and universal brotherhood, will be observed by the Warren YWCA in cooperation with Associations around the world November 11-17.

An annual event for more than 60 years, the event will be commemorated by members of more than 1,900 units of YWCA work in the United States and those of 64 other countries. In this country, special events will highlight the year-round program of the Foreign Division of the YW.

Among these will be a national worship service at 11:00 a. m. Sunday, November 11, in the National Cathedral in Washington, D. C., attended by more than 3,000 representatives of associations from all parts of the country. Delivering the address will be Dr. Henry Pitney VanDusen, distinguished clergyman-educator and president of Union Theological Seminary in New York City, using the World Fellowship theme, "Christians in Action."

The Canadian agriculture department is campaigning for everyone to drink three glasses of milk daily to improve health and to aid the receding dairy industry. In British Columbia, a dairy county, milk consumption is four ounces below the national average.

### Here and There

A paragraph in the "Topics of the Times" column of fifty years ago today reminds us that this is the most popular time of the year for long-range amateur prognosticators. Predicting the winter for the season 1906-7 the article says: "Weather prophets are predicting a mild winter. For this they deserve commendation. Among the signs enumerated are the following: Muskrats have not even begun to build their winter quarters, ducks have been slow in migrating; deer have their thin fall suits on; the beavers have not yet begun cutting their winter supply of wood; the owls have not yet withdrawn to the forest depths; the songbirds have not all flown south as yet; the toadstools have few or no wrinkles, corn husks are not thick; the possum has only one curl in his tail this fall; the wild geese are still sojourning on the northern lakes, there is no thick down under the chickens' feathers; nor any bony growth on the feet of the chicken; the goose-bone is fair and unspotted; vermin under logs and old planks are more numerous and lively than ever before; fishworms are near the surface, in fact nature with myriad of voices unanimously attuned declares the coming winter will not amount to shucks."

And here's a poem that fits in quite appropriately with the stories that headline the news this week. Under the heading "The Campaign is Over," he says: The fall campaign is over,

The armies have dispersed— We'll now hear less of Emory And not too much of Hearst, On the question and the issues Involving life and state,— The man who got most ballots Was the lucky candidate. The pen, the vitriol Weapon, Which entered in the fray, May now be cleanly sterilized And gently laid away. The dove of peace has lighted, Has taken to its roost,— So let us cease from knocking And try once more to boost. The fall campaign is over, The mean things said and done Will shortly be forgotten— Thus the course of life is run.

In the battle of the ballots, All is fair, like love and war, And we feel a tinge of comfort That the wrangle now is o'er. For no matter what the issue, The brotherhood of man Demands a kind of compassion For him, "who also ran!" In the frenzy of campaigning We may have felt a shock,— So let us now try boosting And cease once more to knock. The fall campaign is over, A tiger and three cheers For the man who made the rattle. For him who lost, mute tears. Extend the hand of honor To the happy candidate Elected by the people To guide the ship of state. To him who in the battle Fell a victim in the fray, Give a word of consolation Then softly steal away; For in contest of this nature, In a land where speech is free,

A man is not so good or bad As is often said to be. The fall campaign is over,— Problems, issues, slanders, all Will, like the faded picture, Be turned toward the wall. Men who fought each other roughly Throwing mud to back their stand, Will hiss the words "Forget it," As they clap each others hands, While the smile that never faded Will cheer them as they mix For 'twas ever and forever thus In the game of politics. But now, that all is over, Dove and rooster gone to roost, Let us all cut out the knocking And try once more to boost. —Will W. Webster.

# Newest Buick Yet

YOU know all that talk you've been hearing about the 1957 new car models being really new? Well, in the case of the 1957 Buicks it's true—gospel true.

We mean these 1957 Buicks are new in the precise and literal sense.

We mean new from the ground up, and from gleaming grille to sassy taillights.

We mean new lowness, new styling, new bodies, new windshields, new controls, new safety-padded instrument panels, new safety steering wheels, new seating, new fabrics, new colors.

We mean new front end, new rear end, new frame, new braking, new steering, new handling, new riding, new roadability—a whole new chassis of greater solidity and safety.

We mean V8 engines new from the crankshaft up—engines that deliver an all-time high in horsepower and compression from their 364-cubic-inch displacement.

And we mean, most of all, an advanced new Variable Pitch Dynaflo®—so instant in the starting range—so utterly smooth and so totally full-range, in "Drive"—that your need for "Low" is practically eliminated.

So come take in these low-silhouette, these boldly beautiful, these instantly obedient Buicks for 1957.

Come learn about the host of wonders to be had here—including the most beautiful new Estate Wagon you ever beheld.

Then you'll see why you can't blame us for being so fired up about it all—and how catching this excitement can be.

\*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

**"How Many Pounds Would YOU Like to Lose?"**

# easy reducing

science now helps you take off your fat while you eat the foods you choose

Do you like sweets, candy, cake, butter, gravy, potatoes? Have you tried one thing after another to reduce, spent dollar after dollar for pills and tablets and in spite of everything you've tried you're still too fat? Well, be as skeptical as you like, but now, right now, there's a wonderful new kind of capsule that helps you take off pounds and inches of ugly fat safely, quickly and so much easier you hardly know what's happening. You don't suffer starvation dieting hunger, you take no drugs, you don't exercise. In fact, you don't even diet one bit more than you want to, because you automatically eat less and here's why...

**counteracts hunger**

Just recently a well known scientist perfected a new tiny capsule that combines not one but ALL THE RECOGNIZED proven aids to reducing. It combines the vitamins and minerals often lost when cutting off fattening foods containing these needed vitamins and minerals. It combines the vegetable cellulose that has no calories, yet expands when it absorbs water, thereby helping give the feeling of a full contented stomach. In fact, these tiny capsules are so packed with vitamins and minerals, protein and non-caloric filling food, they actually equal and exceed many a meal.

**fat goes fast**

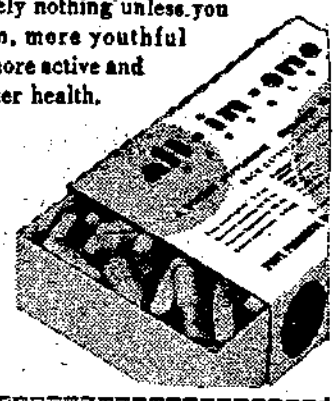

You'll be surprised at the fat you lose the first week, the inches that disappear the first month. No hunger, no strict dieting, no drugs, no exercise. And the cost is absolutely nothing unless you grow slim, more youthful looking, more active and enjoy better health.

### Jean Eames Bride In October 6 Rite In Bethel Church

Jean Eames, daughter of Mr. and Mrs. Merle Eames, 203 North Irvine street, and Ronald Alan Fitzgerald, son of Mr. and Mrs. Erma Fitzgerald, were united in marriage October 6 at Bethel EUB church. The Rev. Vincent Rothwell performed the double ring ceremony before an altar banked with palms and white gladioli, as Mrs. Rothwell provided music.

The bride, given in marriage by her father, wore turquoise satin and lace with a pale pink feather hat. Her bouquet was of white carnations with pink streamers.

Marilyn Eames, the bride's sister, and only attendant, wore dusty rose satin, with matching headband, and carried yellow carnations.

John Anderson, of State College, served as best man.

Mrs. Eames, in blue crepe with pink accessories, wore a pink carnation corsage. Mrs. Fitzgerald chose navy blue with avocado accessories and red carnations.

A reception for members of the immediate families followed in the church parlors.

The bride, a Warren High School graduate, is employed at Sylvania and the bridegroom is a student at Pennsylvania State University.

Pre-nuptial affairs were given by Joyce and Marylou Anderregg; Mrs. Eugene Nelson; Carol Douglas and Ann Fumone. The bride was also honored by the Bethel EUB choir, with Mrs. Harold Gilson as hostess.

CLARENDON METHODIST GROUPS HAVE MEETINGS

Clarendon—The regular meeting of the Philathian Bible Class was held Tuesday evening in the church parlors, with Mrs. Mary Campbell conducting devotions on a Thanksgiving topic. The opening hymn, "Who Giveth All", was followed by Scripture reading, Story of the First Thanksgiving, members responding with their special reason for thankfulness, closing prayer, and "America".

The business session was opened by the president, with routine reports, and plans for the Christmas party and gift exchange on the evening of December 4. Mrs. Evelyn Meley entertained with a quiz, after which refreshments were served by the hostesses, Mrs. Florence Bemis and Mae Bishop.

Win One Class held its November meeting in the church parlors, with 18 members and guests present. Devotions by Mrs. Marguerite Knight were followed by a brief business session. Alice Anderson, principal of Lacy School in Warren, showed lovely slides taken on her trip this past summer, including beautiful views from various parts of the United States and Canada. To conclude, lunch was served by Mrs. Anderson and Mrs. Springer from a table gay with Hallawen decorations.

JEHOVAH'S WITNESSES AT TRAINING SESSION

According to T. A. Smith, pastor of the Warren congregation of Jehovah's Witnesses, 40 local members will be in attendance for the three-day training program to be held in Clarion this weekend.

"The object of the program," states Mr. Smith, "is to equip every one of the preaching fellowship of Jehovah's witnesses in the practical use of the Bible as a help in fortifying the spiritual morale of people in our community." Mr. Smith added that Jehovah's witnesses are enrolled in ministerial training of at least five classes weekly. "We maintain," he emphasized "that if a religion is worth believing it is worth putting into practice." "We sincerely hope that the advanced training planned for us will enable us to live closer to the Bible and its teaching."

Of special interest to the public and the more than 800 ministers who will be in attendance November 9-11 will be the main lecture "What Will Armageddon Mean to You", which will be delivered by L. L. Roper, traveling representative of the Watchtower Bible and Tract Society.

PTA RUMMAGE SALE

East Street PTA members will sponsor a thrifty rummage sale Thursday and Friday, November 15 and 16, in the building formerly occupied by the Federal Store (next to A&P Market). Contributions will be received Wednesday, November 14, at the store or members may call 2357 to arrange to have items picked up.

All area bridge players are welcome to the weekly session of Down One Club, to be held at 8:00 p. m. Friday at the Jamestown American Legion.

At last week's tournament, R. H. Larsen conducted a six-table Howell game, with average score of 48 for the evening's play and the following having top scores:

Mrs. B. L. Newberry and Mr. Larsen, 56; Mrs. David Cropp, Warren, and Mrs. James Stafford, 53; Edgar Olson and Mrs. Oscar Hegquist, 52; Mrs. Sigurd Johnson and John Koppe of Baltimore, 51½; Mrs. William Mulvey and Mrs. Adele Holland, Warren, 50.

FARRAHETTE MEETING

Farrahettes will hold their regular meeting in the Grotto rooms at 8:00 o'clock tonight, when Mrs. J. A. VerMilyea will show slides for the program. Members are reminded to bring their Thanksgiving donations, also wrapped white elephant articles.

New State Nurses' Head

Mrs. Martha Cunningham Sharkey, registered nurse from Philadelphia is the newly-elected head of the 17,000-member Pennsylvania Nurses' Association and will serve in that capacity for a two-year term. Pearl Lund, Warren, continues as a member of the state board of directors; Laura Johnson, Kane, is a new board member; and Robert Bogart, Warren, will serve as chairman of the supervisory sub-unit.

Commenting on the formulation of new employment standards for various grades of nurses, the new president stated: "Pennsylvania is one of the major states in the country, and we cannot hope to meet our nursing needs unless we are prepared to meet competition offered by other states."

"As long as nursing lags behind other professions, and even behind many non-professional occupations, we must expect it to lag behind in the amount of service it can make available to the public. More nurses are an absolute essential if our patients are to receive the amount and kind of nursing care they need. Unless we work

PRACTICAL NURSES HAVE ERIE VISITORS

Warren County Practical Nurses' Association held its regular meeting last evening at the YMCA preceded by a bountiful tureen dinner served at a table attractively set in accord with the fall season.

Following the evening meal, the regular business session was convened and highlighted a discussion period participated in by members from Erie, Mrs. Pauline Burke, Mrs. Hulda Benson, Mrs. Mary Miller and Miss Marie Campani.

Local members decided to have a Christmas party at the December 5 meeting. All are urged to be on hand, bringing a 50-cent gift for the grab bag.

RIBBON WINNERS IN TITUSVILLE SHOW

Titusville Woman's Club, reporting on its second annual art exhibit held recently, indicates first prize winner was Harwood Forsgren of Titusville, with an oil painting "Wednesday afternoon".

A water color, "Autumn Glory", earned second place for Gordon C. Myers, Hydetown; and third prize was awarded to Grace Porter, Clintonville, for her oil painting, "Street Scene, NS, Pittsburgh". Don Wharton, Spring Creek, who had two entries, received an honorable mention for an oil portrait, "A Gentleman of the Road".

Mr. Forsgren had two entries in the show, as did his wife, Marge Forsgren.

DISTRICT VISITOR FOR BPW MEETING

Marjorie Tarbell of Corry, District One director of the Business and Professional Women's Club, will be the special guest of the Warren Club for its dinner-meeting at the YWCA activities building next Tuesday evening.

The legislative committee will present as the evening's program a discussion pertaining to a new Warren high school.

Any member unable to be at the dinner should cancel her standing reservation by 4:00 p. m. Friday by calling Mayme Marsh, 1259-R.

### WARREN GRANGE MEMBERS ENJOY TUREEN DINNER

A bountiful tureen dinner was enjoyed by 65 members of Warren Grange No. 1025 Monday evening, followed by a very instructive illustrated lecture by Norman Huck, of the Bell Telephone Company, which was enjoyed by all.

Master Gilbert Tucker was in charge of the business meeting, prayer was offered by the chaplain, followed by group singing of "The Star Spangled Banner". Three members were reported ill, Mrs. Nellie Mills and Mrs. Mable Vesling in Warren General Hospital and Mrs. Grace Anderson in an Erie hospital, and they will appreciate cards from their friends.

N. E. Reading was elected steward and will be installed with the other new officers at the next meeting, November 19, by State Assistant Steward Leo Johnson and his staff. The session closed with prayer by the chaplain and group singing of "Day is Dying in the West".

The home economics class, in charge of Mrs. Gladys Sunones, met Tuesday for an all day work session on copper planters, the work to be finished at a later meeting. The next meeting of the group will be November 20, under the direction of Mrs. Geraldine Johnston, the project to be alteration and remodeling of garments. All interested women are cordially invited to attend.

### FUTURE HOMEMAKERS

Speaker for the meeting of Warren High School Future Homemakers of America was Mrs. Sherm Offerle, of Crescent Floral Gardens. Following a tureen dinner, Judi Barnhart presented Mrs. Offerle to the group. She demonstrated how to arrange flowers for home use and how to make corsages, and several members were awarded corsages as gifts.

During the business meeting, plans were discussed for attending the County F.H.A. square dance at Youngsville Friday night; also for a tentative hayride in November. For the next regular meeting, November 19, Miss Ruth Brezelle will give an illustrated program on "Careers in Home Economics". All high school girls are invited to attend this meeting, which will start at 7:00 p. m.

### SINGING IN TWO MUSICAL EVENTS

William Carlson, Warren student at Mansfield State Teachers' College, is a member of the music department's Renaissance Singers and will sing in a special assembly program at the Kutztown State Teachers' College November 15.

The group will also be heard in a 45-minute program for the convention of the Pennsylvania Music Educators' Association at the Penn-Harris Hotel in Harrisburg on November 30, remaining in the state capital to attend other sessions of the convention.

### BIRTHDAY EVENT

Silas Walker Kopf celebrated his seventh birthday anniversary Tuesday, with the following guests present: David Fago, Steven Wendell, Anthony Carter, Allan Ward, Edwin Young, Jonathan Torrance, Matthew Voigt, and Daniel Kopf.

### FRANCIS CIRCLE

Members of the Francis Circle of Epworth Methodist church will meet at eight o'clock this evening at the home of Mrs. Ned Small, Tennessee avenue, North Warren.

### AT WHEATON HOME

Bernadine Circle of Epworth Methodist church will meet this evening at the home of Mrs. Mary Wheaton, 8 Bradley street.

## Times Topics

### COUNTY ACTIVES

Members of Warren County Active Volunteer Firemen's Association will hold their regular monthly meeting at 7 p. m. today in Kinzua Fire Hall. All members are asked to be present.

### BLACKTOP DOWN

The blacktop has been laid on the YMCA tennis courts and installation of 16 dual-head parking meters will be made shortly to provide an additional 32 off-street parking spaces for Warren's business district.

### BENEFIT SUCCESSFUL

Jaycee Auxiliary members report an attendance of 280 players for the dessert-card party held last night in Beatty Junior High School as a benefit for the Community Swimming Pool Fund. Betty Rice was commentator for the very unusual exhibit of holiday gift suggestions, all available for Christmas buying from local merchants.

Atomic power will furnish 30 per cent of the nation's electricity by the year 2000 A. D., predicts atomic power executive W. A. Shepherd.

# New Task-Force 57 Chevrolet Trucks!

They "flattened" Yukon mountains with the most modern truck V8's of all!

Rated G.V.W. of these payload-carrying heavyweights goes all the way up to 32,000 pounds!

New V8-powered '57 Chevrolet trucks, heavily loaded, made one of the world's toughest roads look easy! In a straight-through test run, they rolled over the famous ALCAN Highway to Alaska—in less than 45 hours (normally a 72-hour run). Here's proof-in-action of power that'll handle your toughest jobs—and keep coming back for more!

Whatever your job, there's an Alcan-proved Chevrolet Task-Force truck ready right now to save you time and money!

Only franchised Chevrolet dealers  display this famous trademark

Six new Task-Force huskies made the run. And six ultra-modern Chevy engines proved their power and performance—with gas mileage up to 18.17 miles per gallon! Two of the engines were not stopped once, and they hummed along at peak efficiency the entire 1,520 miles!

Chevy's big V8's—including the new 283-cu.-in. Super Taskmaster—turned in top performance jobs. They hauled typical loads up and down towering grades and through washouts that sucked wheels into hub-deep mud. They roared on through miles of heavy dust that narrowed visibility to a few hundred feet. And in spite of the varying altitudes and temperatures, not a single truck was forced to drop out or turn back! Stop by and see them soon!

Proved on the Alcan Highway

### Pins Presented To Retiring Officers At Boy Choir Dinner

The presentation of a gold ring to outgoing president Ted Rosequist highlighted the annual Boy Choir banquet held last night in the YWCA. The ring, inscribed with the musical insigna and initial WBC, was presented to young Rosequist by Choir Director Byron L. Swanson.

Earlier, gifts from the choir were given to Ted and to retiring secretary Jaye Kummel by Guy Smith, new Choir vice president and William Thoma, the new secretary. Both boys also received gold choir pins.

The annual banquet is held each year to honor the outgoing officers and is planned by the boys themselves as a yearly project. James Eldridge the Choir president presided at last night's dinner and introduced the following guests:

Mr. and Mrs. John Mallory, Mr. and Mrs. Frank Mason, Mr. and Mrs. Merle Kremer, Mr. and Mrs. Roger Thoma, Mr. and Mrs. Clifford R. Belts, Mr. and Mrs. Carl Harrison, Mr. and Mrs. Ray Marti, Mr. and Mrs. Dolos Henry, Mr. and Mrs. Fred Wall, Mr. and Mrs. Joseph Kummel, Miss Adelaide Swanson, Choir accompanist and Charles R. Tranter.

Also Mr. and Mrs. Alex Fore-

man, Mr. and Mrs. Harry Rosequist, Mr. and Mrs. Harry Nasman, John Powley, Mr. and Mrs. Swen Gustafson, Dr. and Mrs. Theodore Valone, and Mr. and Mrs. Carl Lindberg.

The Warren Boy Choir is governed by a board of directors of which the following are officers: John Mallory, president; Merle Kremer, vice president; Ray Marti, secretary; and Fred Wall, treasurer.

## Fish Commission To Reclaim Water At Chapman's Dam

Chapman Dam should become a trout fisherman's paradise next year as the Pennsylvania Fish Commission today began steps to "reclaim" the waters.

Roger Reed, division regional biologist of Conneautville, is the person in charge of using rotenone which should kill off most of the so-called "rough" fish now overpopulating the waters. (Rough fish are suckers, carps, other undesirable. At the present time they are so populous that the size of all fish is stunted.)

The dam will be closed starting today as the rotenone is added to the water. Sportsmen have been invited to the dam to see the effects of the chemical.

Once the undesirable fish are removed, only trout will be stocked, according to Ken Corey, area fish warden. Some fingerlings may be placed in Chapman Dam waters this fall and next spring the rainbow trout, with perhaps some brown trout, will be added.

The dam will probably be reopened tomorrow to drain the chemically treated basin.

## Cuban Stops Detroit Hopeful in Seventh Round at Chicago

Chicago (AP) — Clarence Duke Harris' attempted climb in the welterweight ranks was blocked last night by Cuban Isaac Logart, who stopped the 24-year-old Detroit hopeful in the seventh round.

Logart, fourth rated 147-pound contender, danced and parried with his inexperienced foe through five rather dull rounds of the scheduled 10. Then he set him up for the TKO in the sixth.

A smashing left caught Harris flush on the chin midway in the sixth. Harris barely lasted out the round.

In the seventh, Logart leaped into action, scoring with a left and straight right that drove Harris across the ring and made him lower his gloves, which he had been holding near his face throughout the bout to ward off Logart's counterpunches.

Logart smashed a left hook and another right to Harris' face and the Detroitite reeled into the corner.

Logart went in for the kill but Referee Walter Brightmore halted the fight.

Dollar Value of Farmland in State Shows an Increase

AP Special Washington Service Washington (AP) — The dollar value of farmland in Pennsylvania rose 6 per cent in the year ended July 1—just twice the average percentage increase throughout the nation.

Figures compiled by the Agriculture Department show the value of Pennsylvania farms and their buildings at \$1,988,000,000. The real estate value increase came in the face of reduced farm

income in recent years. The Pennsylvania total continued an increase which began in 1954 after declines the two previous years.

Last year Pennsylvania farmland value stood at \$1,851,000,000 as of July 31. In 1941 it was \$1,796,000,000. Mid-year 1953 showed \$1,819,000,000 while the 1952 total was \$1,857,000,000.

The rate of farm sales at July 1 was up 16 per cent in Pennsylvania compared to the preceding year.

The department calculates an average acre of farmland in Pennsylvania was worth \$151 this year. This figure has shown a steady increase yearly since 1952 when it stood at \$123.

Youngsville Girl Scouts Raise Quota In Financial Drive

Youngsville—Holding their regular meeting at the home of Mrs. Claire Schnell, 20 members of the Girl Scout Neighborhood Club received with pleasure announcement that the \$600 quota for the financial drive had been met; also that sales of pop, candy, hot dogs, coffee, and hot chocolate at home football games had been very successful.

Mrs. Edward Day conducted the meeting and a special guest was Ursula Johnson of Warren, executive director of Warren Forest Council.

The Folk Dance Festival in May was discussed; the date for the Christmas party for Intermediate and Senior Scouts was set tentatively for December 11; plans were formulated for the Twelfth Night Ceremony January 5. A nominating committee appointed was composed of Mrs. Ruby Ransom, Mrs. Mernie Kirk, Mrs. Jean Kay.

Refreshments were served by the following committee assisting the hostess: Mrs. Orval Borton, Marsue Mortland, Mrs. Paul Dintny, and Mrs. Marvin Craft.

The next meeting of the Club will be held the First Monday in January.

Christian Service Guild will meet this evening at the home of Mrs. Harold Thompson, East Main street, with Mrs. Walter Fosberg, assistant hostess. Theme of the meeting will be "The Church Reaches Beyond Her Doorstep," the leader will be Mabel Schreckengost, assisted by Mrs. Robert Armstrong. Members are reminded to bring their Thank Offering boxes.

Local Scouters To Attend Conference At State Capital

Eight representatives of the Chief Cornplanter Council, Boy Scouts of America will be attending the annual Conference of Region III at Harrisburg on Thursday, Friday and Saturday of this week. The regional Committee, presidents, and Scout Executives will meet tonight and Friday morning, with other groups meeting beginning at noon on Friday. Mr. and Mrs. Harold Banghart and Mr. and Mrs. Elmer Morgan will attend the Friday night and Saturday morning sessions representing the Chief Cornplanter Council. Jim Wright will attend Friday sessions relating to organizing new units and extending Scouting in existing institutions. He will be accompanied by his daughter Margaret.

Bob Anstadt will attend the session on the fourth National Jamboree, and will try to get the council's allocation of 29 boy spaces in the Jamboree to permit 8 additional boys to attend.

Carl Rogers, National Council Representative will attend the session on Camping.

The highlight of the banquet Friday night will be the awarding of Silver Antelope Awards to Scouters who have rendered outstanding service to boys in Pennsylvania, Maryland, Delaware, Virginia, West Virginia, and the District of Columbia.

Dr. Arthur Schuck, Chief Scout Executive of the Boy Scouts of America will address the banquet.

YOUR FOREST RANGER L. E. Stots

The ruffed grouse, which has been endowed by Nature with protective coloring that almost defies detection, and modern jet-age speed in flight, when flushed, has long been victimized by habitat deterioration on the Allegheny National Forest.

A pole stage forest, that has grown out of reach of the deer population, has also had an adverse effect on the grouse population through the destruction of its food supply and escape cover from predators.

In order to improve the habitat for grouse, and other wildlife, one-acre clearings are being made in a checkerboard pattern over the Allegheny National Forest by the wildlife habitat crews of the Pennsylvania Game Commission under the terms of a cooperative agree-

ment that went into effect in 1949. Wherever deer concentrations have not been great enough to destroy the woody vegetation and sprout growth that has sprung up in these clearings the grouse have found favorable nesting places in the forest-edge habitat that resulted. Studies made by Robert E. Stewart, and published in the Auk, Vol. 73, of January, 1956 under the title, "Ecological Study of Ruffed Grouse Broods in Virginia", confirm the value of small forest clearings in the life cycle of the ruffed grouse everywhere in the extensive range of this fine game bird. In this interesting report Mr. Stewart states, "Practically all broods of the younger grouse were found in or near forest-edge habitats. Most of them were distributed within the moist forest types along small or narrow semi-shaded clearings, such as secondary roads, wagon-roads, trails, and natural forest openings. The preference for these situations is probably due to the more luxuriant growth of ground vegetation that characteristically develop on them. The relative abundance of young woody sprouts and seedlings appeared to be most important. While a few broods were found in openings almost devoid of this type of plant growth, it was noticed that areas which supported the greatest number of broods were those in which many recent small clearings or slashings had resulted in an abundance of woody sprouts". The important part that newly built log roads, with their forest edges of sprouts and seedlings, play in the life cycle of the ruffed grouse is stressed in this article when the author found 26 broods of grouse along the forest edge of a newly built log road some 4 miles in length. He attributed the lush growth of small woody plants with their rich source of insect food near the ground within reach of the small chicks, as providing both food and protective cover for the young broods. The many miles of new logging roads constructed each year on the Allegheny National Forest should provide good habitat for ruffed grouse. In order to let the sunlight onto the road bed each road is "day-lighted" at the time of construction by cutting back all trees to a distance of 15 feet on each side of the center line of the road. If, however, too many deer browse to the ground line the woody sprouts and young seedlings that spring up on the edge of these logging roads, and in the wildlife clearings, the habitat for grouse will be destroyed and this fine game bird will continue to play only a minor part in the total wildlife picture in the Allegheny National Forest. In 1821 there were about 30,000 pioneers in Australia. More than half were convicts.

## County Farmers to Study the Business Prospects For '57

What are business prospects for 1957 for Warren County farmers and other industries? An answer to this question will be presented at a meeting announced today by County Agent O. C. Tritt. This meeting will be held November 13 in the County Courthouse at 8:00 p. m. All interested persons may attend.

Participating with local farmers in the discussion will be a team of extension agricultural economists from the Pennsylvania State University. They are William F. Johnstone, William M. Carroll, and Kermit Birth. Close observers of farm marketing conditions, they will present some of the factors likely to influence farm business conditions during the coming year.

Tritt pointed out that with today's fast changing markets, farmers and others profit by taking the future prospects into consideration in making their business decisions.

County agent Tritt indicated that following the meeting additional information material on the 1957 economic outlook will be mailed to Warren County farmers who request it. This is intended to help them keep abreast of changes occurring in the farm picture.

## Sylvania Furnishes Important Items For Huge Bomber

Waltham, Mass.—Sylvania Electric Products Inc., is supplying the passive defense system for America's first supersonic bomber, the B-58 Hustler, being produced for the Air Force by Convair division of General Dynamics Corp. Henry Lehne, general manager of Sylvania's Electronic Systems Division, said that Sylvania's part of the Hustler program was being carried out in divisional facilities and laboratories at Buffalo, N. Y.; Waltham, Mass.; Mountain View, Calif.; and at Sylvania's Bayside, N. Y., Research Center.

The delta-wing B-58 has sixteen complex major subsystems, including its own defense systems, which are virtually automatic and capable of accomplishing their work with a minimum of supervision from the three-man crew.

A previous announcement noted that Sylvania was one of six firms developing major subsystems for the new B-58.

The Hustler is undergoing final ground testing at Convair's Fort Worth, Texas plant before making its first flight. Designed for supersonic speeds and altitudes above 50,000 feet, the B-58 is powered with four turbo-jet engines. It is about 95 feet long, with a wing span of approximately 55 feet, and its crew consists of a pilot, navigator-bombardier, and defense systems operator.

## Fisheries Agencies Adopt Regulations For Pumatuning

Harrisburg—Uniform fishing regulations on Lake Pymatuning for fishermen of Pennsylvania and Ohio were assured for 1957 when the Pennsylvania Fish Commission late yesterday adopted the recommendations formulated late last month when representatives of the two states' fisheries agencies met at Andover, Ohio.

In making the announcement, R. Stanley Smith, President of the Pennsylvania Fish Commission, stated, "Uniformity, simplicity and liberalization consistent with our earlier actions, are the keynotes of this accord."

The new regulations provide for year 'round open seasons and no

size limitation for all fish species in Pymatuning. Creel limits, however, will be in effect for the game fishes as follows: largemouth and smallmouth bass—6; walleye—6; pickerel—6; northern pike—6; muskellunge—2; A two-day possession limit will be allowed on these species.

Other regulations involving devices, baitfish, fishbait and frogs remain the same as this year except in 1957 it will be permissible to take frogs on a Sunday, and to shoot frogs. The one-day limit remains at 25. The possession limit of baitfishes and fishbait likewise will remain at 35 of each, combined—50. Fishing devices allowed in possession; two rods and lines or two lines.

Fishing licenses of either state will be acceptable on any portion of the lake, though fishing from the Ohio shoreline will necessitate possession of an Ohio license. Likewise, a Pennsylvania license will be required to fish legally from any point of the Pymatuning

shoreline within the Pennsylvania border.

The regulations represent a more liberal state for Pennsylvania anglers, in that their inland waters season on bass is closed from March 15 to June 14. For Ohio fishermen, they place a creel limit on the game species, unlike the total liberalization they enjoy in their in-state waters.

FUNERAL INFORMATION WILL BE FOUND UNDER ANOTHER HEADING

## CLARE A. LAWSON

Funeral services for Mrs. Mary Jan Lawson, well known resident of Follett Run road and Lino-typing operator for the Times Publishing Company, will be held at 3:30 p. m. Friday. The Rev. Axel Beckman of Jamestown, acting pastor of St. Paul's Lutheran church, will officiate and interment will follow in Warren County Memorial Park at Starbrick.

quists when she was five years old, and has two daughters, Rebecca and Judith Morrison. Mrs. Rosequist died suddenly at 4:00 p. m. Thursday, November 1, at Warren General Hospital, where she had been admitted Wednesday morning. She was a friend and helper to all who knew her. The many floral offerings at the time of bereavement was a testimony to her place in the community.

## RALPH CHENEY

Ralph Cheney, 58 year old resident of Scranton Hill road, died suddenly at 2:30 p. m. Wednesday at Warren State Hospital, where he had been employed as an attendant for several years. Mr. Cheney was born in Cheyenne, Wyo., December 18, 1893, and had lived in this area since 1951. Surviving are his wife, Ruth Werner Cheney; several nieces and nephews.

Funeral services will be held at 2:00 p. m. Saturday, conducted by the Rev. Norman Werner, Baptist missionary from Stoney Fork, Ky., and followed by interment in Pine Grove cemetery at Russell.

## MRS. MAY ALCOBN

Mrs. May Alcorn, 85, of Panama, a former resident of Lander, died at 11:50 p. m. Tuesday. Mrs. Alcorn was born in Warren, July 17th, 1871, the daughter of William and Delphine Siggins Hatch. She lived most of her life in the Lander area.

Survivors include a son, Willis D. Alcorn of Warren; and six grandchildren, Leslie Firth of Penn State University, Betsey Firth of Indiana State Teachers College, Lynn Firth of Russell, Pa., and Robert Alcorn, Janice Alcorn and Dennis Alcorn, all of Warren and

close to it in the state's election history. It resolved any lingering doubt that straight ballot voting is disappearing from the political scene in Pennsylvania. Clark tripped Duff by a scant 17,000 votes—less than one-half of one per cent of the more than 4,440,000 cast for the U. S. senate seat. The Clark triumph also was a matter of less than two ballots in each of the state's 8,008 voting precincts.

Duff conceded to Clark despite some 35,000 to 50,000 of absentee military ballots that will be counted November 16. The Eisenhower total was the highest ever given any candidate in the history of Pennsylvania.

At the same time yesterday Barr called on both parties to close ranks and said all Americans should place their trust in President Eisenhower. In urging all Americans to put their trust in Eisenhower, Barr said:

"Critical days are upon us and I am sure every American prays that Mr. Eisenhower shall be able to act in good health and not have to surrender his responsibilities to lesser men. "Whatever our differences of political opinion, we are united as a nation against any threat to the freedom inscribed on the shield of America's crusade for world peace."

AMENDMENT APPROVED Philadelphia (P)—The state's voters approved a constitutional amendment by Tuesday's balloting. The proposal already has been approved by two sessions of the Pennsylvania Legislature. It would remove a constitutional requirement that corporations must call a shareholders meeting on 60 days notice before increasing their stock issue or indebtedness.

## BURNS TO DEATH

Pittsburgh (P)—A 54-year-old man burned to death last night as a fire of undetermined origin leveled his frame home at nearby Imperial. The body of Joseph Ficus was recovered about an hour after the blaze broke out. Ficus' wife was not at home.

## Funerals

CLARE A. LAWSON—Friends are being received at the Templeton Funeral Home at the usual calling hours and services will be held there at 3:30 p. m. Friday. The Rev. Axel Beckman of Jamestown, acting pastor of St. Paul's Lutheran church, will officiate and interment will follow in Warren County Memorial Park at Starbrick.

RALPH CHENEY—Friends will be received at the Templeton Funeral Home at the usual calling hours, starting at 7:00 p. m. today and excepting the period from 2:00 to 5:00 p. m. Friday. Services will be held at the funeral home at 2:00 p. m. Saturday, with the Rev. ## Jobless Pay Claims Are Beginning To Hit Normal Trend

Continued claims for unemployment compensation benefits returned to a more normal level in their trend as they rose almost eight per cent to a total of 103,848 for the week ending October 26, Secretary of Labor and Industry John R. Torquato stated today. Torquato explained that the continued claims totals for the preceding two weeks had been affected by claimant rescheduling due to the October 12 holiday. Seasonal job completion layoffs in construction and temporary layoffs in the apparel and textile industries were other main factors in the increase.

New claims rose nine per cent to 16,932 for the reported week, as substantial increases in claims filed came from the construction, textile, electrical machinery, fabricated metals, and apparel industries. Torquato pointed out that the chief sources of new claims in order of volume were the apparel, construction, textile, trade, fabricated metals, and primary metals industries.

Under the Veterans Unemployment Compensation program new claims numbered 214 and continued claims totaled 1,352. Unemployed federal workers filed 83 new and 1,141 continued claims.

There were 99,735 checks totaling \$2,596,025 in regular benefits issued to eligible unemployed workers during the week. In addition, veterans' unemployment compensation checks numbered 1,605 and amounted to \$36,063. Unemployed federal workers received 1,279 checks totaling \$37,491.

## GARLAND

The monthly town meeting, conducted by President Norman Taylor, included a decision to buy a new outside door for the community building and to build a canopy over same for protection from the weather. A new utility cupboard is also to be built, the committee for the work to be comprised of Art Kane, C. H. Briggs and Norman Taylor.

Sunday guests of Mr. and Mrs. Walter Peterson included Mr. and Mrs. Helmar Fornell and Mrs. Carl Peterson, Jamestown. Mrs. John Sedlak entertained a few friends honoring the sixth birthday of her son, Billy. Guests, Larry and Mimi Gurdak, Pittsfield, Patty Baron, Peggy and Michael Briggs, enjoyed birthday cake and ice cream.

Mrs. Naomi Goodwill and Mrs. Marie Leary were Sunday supper guests of Mr. and Mrs. Paul Shields, Tidouate.

The Presbyterian Ladies Auxiliary is having a bake and rummage sale Friday and Saturday at the home of Mrs. Merle Sandrock and asks that donations be given any of the members.

## Shorter Day Is Signal For More Careful Motoring

Harrisburg — Earlier hours of darkness demand extra care to avoid traffic accidents, motorists were cautioned today by Col. E. J. Henry, Pennsylvania State Police Commissioner.

"The prescription for safe driving at this time of year calls for adequate preventive maintenance and defensive driving," he said. "Let's all 'Back The Attack on Traffic Accidents,' now being led by the President, governors and all public officials."

"Attention should be given to lighting systems. Car owners should make certain that headlights function properly on both upper and lower beams. Rear lights, including automatic turn signals, should be kept clean and in order."

Now that the sun sets earlier, and there is increased driving during dusk and darkness, it's urgent that windshields be given attention, Col. Henry asserted.

"Windshields seem to draw dirt and dust like a magnet," he observed. "Spending a few seconds to have glass wiped clean will pay off in visual comfort and safety. Any unnecessary or illegal stickers on the windshield or windows of a vehicle should be removed to afford both driver and passengers best possible visibility."

The state official recommended replacement of age hardened, smearing windshield wiper blades with new, live-rubber blades, "so that instead of peering through smear, you'll have a windshield that's clear."

Tires and tire chains deserve a particularly careful fall season inspection too, he added. "In anticipation of a long winter ahead, wise motorists will make sure now all their tires have good tread, and that a set of reinforced tire chains are ready when needed for snow or ice," Col. Henry emphasized.

"Good engine performance calls for corrective measures now, also anti-freeze, to prevent trouble during cold weather."

With a car in good shape for unseasonable weather, the driver must, he in good shape too, "the state official concluded. On this point he said, "Not only should a motorist get proper rest and refrain from driving when under the influence of intoxicants, but he must be ever alert and equipped for changing winter weather and road conditions. In short, he must drive defensively."

### Veterans News

**QUESTIONS AND ANSWERS**  
Q—If I sell my GI home, and get relieved from liability to the Government, will my entitlement for another GI loan automatically be restored to me?

A—No. Relief from liability of your present GI loan would not automatically entitle you to another loan. Veterans may have their loan entitlement restored only under certain unusual circumstances, such as losing their homes through fire or flood; condemnation by the Government; or being forced to change locations because health or job transfer.

Q—If I add the total disability income provision to my National Service Life Insurance term policy, will the rates be based on my present age, or on the age that my premiums are figured on?

A—The rates would be based on the age that determines your regular premiums, and not on your present age.

Q—Is it possible for a young man or woman to pursue a regular high school education under the War Orphans Schooling program?

A—No. Regular high school training is prohibited by the law. To enroll in school below the college level, the young person must have completed or quit regular high school, and the below-college course must be one that fits him for a vocational goal.

Q—May I attend a foreign trade school under the Korean GI Bill?

A—No. The only courses outside the United States permitted under the Korean GI Bill are those offered by approved institutions of higher learning.

### Medical Meeting in This City To Hear Piped-In Program

Teaching by telephone for the fourth consecutive year, the Commission on Graduate Education of The Medical Society of the State of Pennsylvania will present a postgraduate program from Philadelphia Thursday evening, November 15, which will be piped by direct hook-up to medical meetings in ten counties throughout the state.

Dr. Thomas M. Durant, M. D., professor of medicine, Temple University School of Medicine, and director of the department of medicine, Temple University Medical Center, Philadelphia, will speak from the auditorium of the Philadelphia County Medical Society on the subject of "Congestive Heart Failure" and several hundred doctors will hear his voice through public address amplifiers in the various meeting places.

Among the locations where the current program is scheduled to be heard is the Warren General Hospital.

Several postgraduates telephone teaching programs have been given each year since 1953, originating either in Pittsburgh or Philadelphia.

### HIGH SCHOOL NEWS

According to announcement from the Dragon business board, the 1957 yearbook sales are coming along fine. About 650 Dragons have been sold and those still interested in buying one at \$3.75 may call the high school.

Thirty-six members of FBLA toured Grove City College and saw a football game on Saturday. Mr. Frits, advisor of the Warren Chapter, explained the purpose of the trip was to acquaint the students with college life.

Judy Whren, junior academic student, is in University of Pennsylvania Hospital in Philadelphia. Judy is progressing very well and in her letters she says "Hi" to all the students at Warren High School. For those who wish to send her a card, her address is as follows: Miss Judy Whren, University of Pennsylvania Hospital, 34th and Spruce Street, Philadelphia, Pennsylvania.

### County Economists Have Busy Sked For The Coming Week

Extension home economists Gerry Johnston and June Spencer announce the following activities for the week:

Today at 10:00 a. m. the leader training meeting on "Good Taste and Thrift in Meat" will be conducted by Miss Marjorie Wormeck, Nutrition Specialist from Penn State University, at the Pen-elec Demonstration Room. Two nutrition chairmen from each county extension group are expected to attend this meeting.

Friday, November 9, at 1:15 the Columbus Hall will meet at the Grange Hall to finish their copper planters and to plan for the rest of their meetings.

Monday, November 12, an all day meeting will be held with the Miller Hill and Lander group. Their project will be copper planters. The place for this meeting has not yet been determined. Monday evening at 8:00 the 4-H Electric Club will meet at the Warren Electric in Youngsville.

Tuesday evening a demonstration on ideas for Christmas will be presented to the Allen Class of the First Methodist Church at 8:00.

Wednesday, November 14, is the all-day Countywide Christmas meeting at the Lander Community Building. All Warren County homemakers are invited to attend.

### SANFORD

Sanford—Little Dianne Fisher, oldest child of Mr. and Mrs. Lloyd Fisher, was brought home from Hamot Hospital in Erie by the Rev. and Mrs. Harold West. The child was a polio victim earlier and has spent much time in Hamot and Zern Hospitals, returning for a leg operation when the pin came out.

Mrs. Janice Thompson and children, Arthur and Patricia, and Mrs. Joyce Brown enjoyed a visit with the latter's sister, Mrs. Marjorie Brenner, and family at Jamestown, Pa., and to Deer Park, which amused the children. Enos Brenner returned home after a month's visit with his aunt, Mrs. Thompson.

Mr. and Mrs. Howard Garber visited Mrs. J. J. Garber at Warren Sunday, finding her in good spirits, although confined to her room most of the time. Mrs. Garber will be 87 years old Sunday and friends who would like to remember her with a card may write to the home of her daughter, Mrs. H. L. Blair, 311 Water street. Howard Garber's father, E. P. Garber, and J. J. Garber and their brides were married in a double ceremony years ago and, soon afterward, took their wives on a raft run down the Allegheny river from Tidoute to Pittsburgh. Mrs. Garber still likes to reminisce about their adventures.

Sanford Ladies Aid will meet November 14 with Mrs. Stella Pierce.

Two pictures "Crisis in Asia" and "Contentment in Ferment" will be shown at the Grand Valley EUB church Friday night. They are filmed in natural color and will run over a half hour, after which refreshments will be served. There will be no admission charge, but a firework offering will be received, and the public is invited.

3 cups bread cubes • 1/2 cup melted butter  
3 cups tart apples or peaches  
1-1/4 cups Jack Frost Super-Soft Light Brown Sugar  
1 teaspoon cinnamon • 2 teaspoons lemon juice • 1/2 cup water

Cut day-old bread in cubes. Mix bread cubes with melted butter. Peel fruit. Slice thin.

Mix Jack Frost Super-Soft Light Brown Sugar and cinnamon. You'll be delighted to find Jack Frost Brown Sugar so soft and fluffy, so extra-easy to mix.

Place alternate layers of bread cubes and fruit in greased baking dish. Sprinkle layers with sugar and lemon juice.

Top with buttered bread cubes. Add water. Cover and bake in moderate oven (375°F) 40 minutes. Uncover and brown.

# FEEDING MILLIONS FOR A PENNY

Today, across the nation, super market chains everywhere are calling your attention to the lowly penny . . . that smallest unit of currency which is the average net profit left to Self Serve food chains from the dollar spent by the customer. In

these days of booming sales and record profits recorded by virtually every industry in the United States, it seems impossible that food chains can progress on a mere penny's profit. But the answer lies in the volume made and the multitude of economies of operation made possible by self serve merchandising, which was pioneered in the Eastern United States by LOBLAWS.

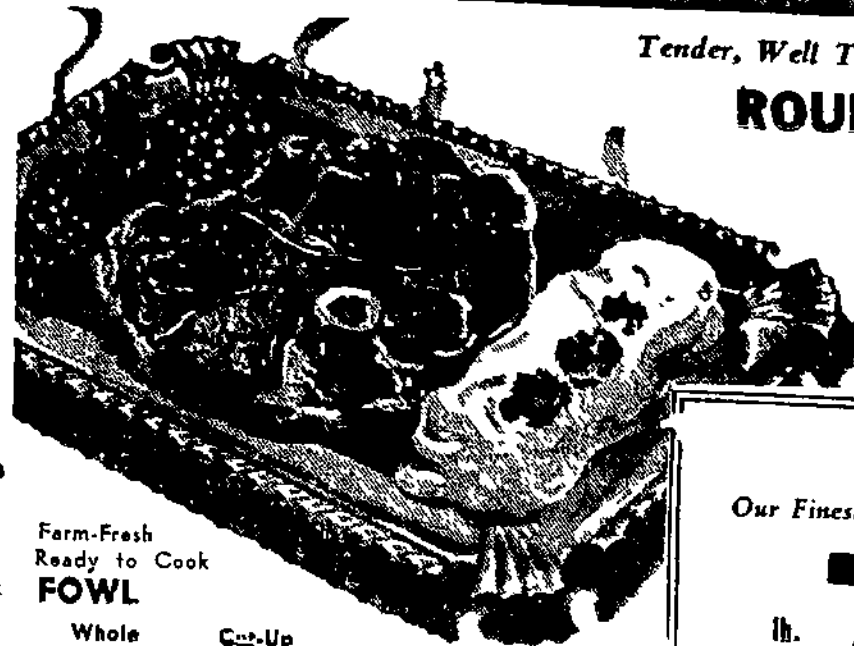

And LOBLAWS takes pride in the national tribute being given to the self serve system to which it has contributed so much . . . the system which has made food the biggest value of any retail purchase by the consumer . . . the system which feeds more people, better and cheaper; contributes to more jobs and larger markets; creates larger and more varied markets for farmers and ranchers; spurs ideas and new advances in food processing; revolutionizes packaging; gives consumers both freedom of selection and a vote for the stores, items and brands of their choice.

In 1924, LOBLAWS opened its "new fangled" Self Serve food stores, which were considered by other retailers to be doomed to failure. Today, with 90% of all retail food purchases self service, we're mighty proud of our part in making the miracle of "Feeding Millions for a Penny" come true.

## Highway Department Still Has \$78,365 for Road Improvement

Weather permitting, Warren County Highway Department still has \$78,365 budgeted for road improvements to be completed by the end of the year. That sum will bring to \$1,115,551 the amount spent for major road improvements in the county during 1956. One project will be a resurfacing of upper Market street from Warren Boro to Venturetown. Another is four miles of resurfacing from Route 6 down across the bridge toward Tidoute.

So far this year the highway department's major projects have included a \$238,118 resurfacing of the road from Enterprise to Grand Valley; \$113,927 for widening Route 6 from the drive-in theatre to the overhead; \$94,420 for bridges repaired and replaced; many damaged by flash floods; \$29,376 for resurfacing Route 452-1R and 61001-1R near Tidoute.

The above projects are 100 percent completed. Rated as 94 percent accomplished is the \$559,162 resurfacing of Route 6 from Pittsfield to Columbus. Another program in the works is the re-letting of bids for the Youngsville overhead. It is hoped to conclude that project by the end of 1956.

In speaking of the many improvements satisfactorily concluded by the highway department this year, Chester Walker, highway superintendent, mentioned the immense amount of cooperation given him by district engineer H. W. Gahagan, maintenance engineer, Berger M. Brunsgaard and his assistant John Whitehill, all of the Franklin office. Those men work closely with Pennsylvania Secretary of Highways Joseph Lawler in continuing to provide safer, more up-to-date highways for this section.

## Let's Talk TURKEY

## Headquarters for FRESH Turkeys

This year as usual we are having only FRESH — not frozen turkeys for your Thanksgiving dinner.

For several years we have been connected with the Valley View Turkey Farm, a farm located just a few miles from Titusville. They produce and process 18 thousand turkeys yearly. They make a specialty of producing PRIME Turkeys—Turkeys that have been fed a scientifically correct diet, for the full time that is required to produce the proper finish and truly delicious taste.

By special arrangements with Mr. Lowers we are having our Thanksgiving Turkeys Fresh processed completely dressed inside and out until they are truly "oven ready" and this under the most sanitary conditions. Brought to you strictly fresh—not frozen.

Place your order now for your Fresh Valley View Turkey—Phone 1415—We can guarantee birds 7 to 10 lbs. for small sizes, or larger birds in any size up to 20 pounds.

Larry has served in three different editor's capacities on the college newspaper, The Indiana Penn, is editor-in-chief of his departmental newspaper, and is national chapter editor for the Delta Sigma Phi social fraternity. Larry is also a member of Alpha Phi Gamma honorary journalism fraternity. Mr. Mong is a junior at Indiana State Teachers College, Indiana, Pennsylvania majoring in Elementary education. His other activities include International Relations Club, Dramatics Club A.C.E., and radio shows.

### WRIGHTSVILLE

Wrightsville—Family and relatives of Mr. and Mrs. Ray C. Bull, former local residents now living at Youngsville, enjoyed a reunion Sunday at the Clymer Conservation Club and voted to have a reunion the first Sunday in November.

her of each year. Relatives were present from Wrightsville, Galeton, Corry, Hamburg, French Creek, Cutting, Clymer, Youngsville, Findley Lake, and Columbus.

Sunday dinner guests at the James Durlin home, celebrating the birthdays of Timothy and Rita Durlin, were Mr. and Mrs. Robert Durlin and children, Jamestown; Mr. and Mrs. Kenneth Durlin and family. The honored ones were remembered with many nice gifts and beautifully-decorated birthday cakes.

There was a good attendance for the Halloween party held in the attractively-decorated church basement, when games were enjoyed and lunch was served. Prizes were awarded to Mrs. Alice Chambers, Youngsville; Ruth Johnson, Sugar Grove; Butch Stowell and Rita Durlin.

The Community church will begin evening services at 7:30 p.m. Sunday.

Mr. and Mrs. William Scranton, Mrs. Nora Peterson and Mrs. Martin Hallgren were Sunday visitors of Mr. and Mrs. Archie Slier at Cochran.

Mr. and Mrs. Robert Vicini and three children, Clarendon, called on Mrs. Frank Whiteley Sunday and took her to spend a few hours with Mr. and Mrs. Robert Burch, Titusville.

Mr. and Mrs. Ernest Faust have been recent guests of their daughter, Mrs. Evelyn Foster, and husband in Cortland, N.Y.

Mr. and Mrs. Marc Boardman and Mrs. Brunette Hagie spent two days with Mrs. Julia Wright at Onondaga, Mich., and two days with the John Turner family in Hudson, O., last week.

### SALT FOR CELERY

Grand Rapids, Mich. (AP)—Celery growers faced with the problem of yellowing plants and weak plants susceptible to blight may find a cure at the corner drugstore. Michigan State University research men have learned that celery plants often fail to get enough magnesium. So the experts recommend a spray solution of epsom salts, which are a cheap source of magnesium.

### NOTICE

Sealed bids will be received by the Commissioners of Warren County at their office at the Court House, Warren, Pennsylvania, on Monday, November 12, 1956, at 11:00 o'clock, a.m., for the purchase by the Commissioners of one (1) one-half ton truck and two (2) passenger automobiles. Bid forms and specifications are available at the above said office.

# Huge Crowd to See Traditional Dragon-Raider Game Saturday

## Warren Will Go Into Contest Minus Four Star Lettermen

The big Red Raiders of Jamestown will travel to Warren Saturday afternoon for the traditional rivalry on Memorial Field. Extended forecast predicts clearing weather which should bring out a crowd approaching the record 10,000 which turned out for the clash last year when the championship Dragons mowed down Jamestown, 26-2, under the lights at Municipal Stadium.

The Red Raiders have an edge over the Dragons in recent years. In 1954, the score was tied at 6-all. In 1953 they beat Warren, 19-0 and in 1952 the balance was 13-6 in favor of Jamestown. Dragons edged the Raiders 6-0 in 1951 which saw the renewal of the series between the two schools after a break of three years.

Coach Fred Bell who has scouted the Raiders claims they are a fast, tough ball club. Halfback Tom Sharp, a 150-pound senior, is the fastest man on the Jamestown eleven and Wyman Ansley, a six-foot, four inch tackle, is the biggest boy on the squad, weighing in at 231.

Other scat performers in the Raider backfield are Scarpino, Hunter and Bagnano.

Warren is plagued by the injuries which have kept them running at half steam most of the season. Left end John Powley is the latest to fall with a separation of his left shoulder. The 170-pound senior has stated he definitely will play in the contest which will be his last as a graduating senior but Coach Bell doubts the lad will be able.

Connie Hultman is still suffering a leg injury. Berdine is out with a hand fracture and Lannan has been lost by a back injury.

All four are lettermen playing their last year with the Dragons. In all, sixteen seniors are completing their final Dragon game Saturday.

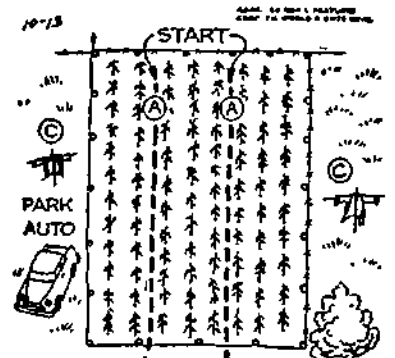

Friday night a Pep Rally is planned for Beatty Field and a Snake Dance will probably wind through town.

Both the Dragon's snappy marching band and the Jamestown High School band are expected to provide half time displays.

Dragons will be going into the contest pushing a three-game winning streak while Jamestown will be sporting a four-loss, three-win record, topping a tough Kenmore team 14-13 last week. Warren season record is six wins, three losses.

Government statistics in Mexico Payments to American families from life insurance policies totaled \$974,200,000 in the first two months of 1956.

## First Planload of The Mighty Yank Team at Melbourne

By MURRAY ROSE

Melbourne (AP)—The first big planload of the mighty Yank team arrived today as international Olympic officials sought to lead some of the withdrawn nations back into the Melbourne fold.

The group of 64 Americans headed by Kenneth Wilson, president of the U. S. Olympic Committee, landed in bright sunshine at Essendon Airport.

Some sparkle had gone out of the preparations for the massive international sports spectacle opening November 22 by the withdrawals of Holland, Spain, Red China and Iraq. Efforts were started today by Wilfred Kent-Hughes chairman of the organizing committee, and Otto Mayer, chancellor of the International Olympic Committee, to lure some countries, especially Holland, back into the games.

Kent-Hughes, who appealed to the nations of the world to overcome international distrust and jealousies in the true spirit of the Olympics, set the wheels in motion by cabling the Dutch national Olympic committee to reconsider its decision.

Wilson, who had a big smile when he entered the airport at the head of the gay American group—many of them clad in Bermuda shorts—was sober-faced when advised of the latest developments in the Olympic crisis since his party left Honolulu.

"I am naturally grieved by reports of the withdrawals of some nations," he said. "I sincerely hope Holland and the other countries will reconsider."

The American main vanguard today consisted of 16 wrestlers and 11 canoeists plus administrative officials and newspapermen.

Tomorrow two more planloads will land in the afternoon and early evening carrying some of the biggest names in track and field and rowing.

## East, West Side All-stars Ready For Game Sun.

Numerous Warren High School former football greats will be on hand Sunday afternoon for a touch football game between All-Stars from the East and West Sides of town. Game time is 2 p. m. on West Side playground field.

Anthony Bonavita, West Side coach, has indicated his eight-man team will be composed of Dave Bevevino, former little All American at Clarion State Teachers College; Carl Greco, Jim Tridico, Lou Betardi, Ned Bartholomew, Frank Denardi, Nick Denardi, Sam Denardi and Jim Graziano.

The East Side eight, coached by Mel Bines, will include Joe Scalise, Rico Bonavita, Hud Berdine, Dick Koehley, Bob Wolfe, Louie Hartweg, Bob Reese and Robert Grosch.

Both managers have noted the interest shown in sandlot football and have expressed hope of forming a league next year.

## Notre Dame's Star May Be Out of Big Contest With Pitt

South Bend, Ind. (AP)—Paul Hornung, Notre Dame's star quarterback, might not be at his favorite position Saturday when the Irish meet Pitt but "he'll play somewhere."

Coach Terry Brennan last night spiked reports that Hornung would make only a token appearance against the Panthers because of an injured thumb.

"We need him too much to let him sit on the bench," said Brennan. "If he can't play at quarterback then I'll use him at fullback or at halfback."

If the Irish 1-5 lose one more game it will be the worst season in their football history. The only time they lost five games before was in 1933.

Hornung first dislocated his left thumb when Michigan State whipped the Irish 47-14. With Oklahoma the opponent the following week, Brennan then said Hornung would be used at another backfield post if he couldn't handle the snap from center in the Irish split T offense.

Hornung, however, quarterbacked most of the Oklahoma game. The Irish lost 40-0.

Thus far this week, Hornung has had difficulty with the thumb, which was re-injured in a 33-7 loss to Navy Saturday. Sophomore Bob Williams has been working out at quarterback.

The walrus is generally peaceable except when molested or engaged in mating contests.

## SPORTS IN BRIEF

By The Associated Press

New York—Don Shinnick, UCLA quarterback, was named Associated Press back of the week for his great play against Stanford.

Honolulu—Shot putter Bill Nelder had nine tosses over 60 feet as a contingent of U. S. Olympians worked out here en route to Australia.

Montezuma, N. Y.—A one-day deer season, Dec. 1, will be permitted in the federal refuge here because of abundant deer. Five hundred hunters will be permitted in—to be selected from postal card applications received by Nov. 15.

Laurel, Md.—Rasper 2nd, \$4, romped to a 4 length victory in the Congressional purse at Laurel.

New York—Fleurbaey, \$10, came on strong in the stretch to win the top event at Jai-al-marca.

New York—Harness race driver Billy Haughton equaled his 1955 record of 168 wins by taking the sixth at Yonkers last night.

New York—Adios Harry, with earnings of \$90,862, can become harness racing's biggest one year money winner tonight with a victory in the \$75,000 Eastern Championship Pace at Yonkers.

## Last Full Week of the 1956 Scholastic Football Season To Decide at Least 4 Titles

Harrisburg (AP)—The last full weekend of the 1956 scholastic football season will decide championships in at least four conferences.

At stake are crowns in the Western Conference, the WFLA A.A., the Keystone League and the Pittsburgh City League. In addition Williamsport could back into another Central Penn crown without playing a league game.

Top games in the east feature Coal Twp. at Berwick in an Eastern Conference Southern Division game and Lower Merion at Havertown in a battle of unbeaten.

In the West, Hollidaysburg and Tyrone battle it out for the Western Conference title which either could lose to Indiana. In another battle of undeaters Farrell is at Sharon in the WFLA A.A.

Two conference titles have already been decided. Milton took the Susquehanna League crown and St. Clair have finished their 1956 seasons undefeated and untied.

Five all-winning teams, all in the WFLA A.A., finish their season Friday.

Williamsport is at Altoona in an exhibition game but the defending Central Penn champs could repeat if Steelton beats Harrisburg John Harris. Harris is the only team with a mathematical chance to catch the Millionaires.

If Coal Twp., defending Eastern Conference titlist, beats Berwick it

will take the Keystone League title and stand an excellent chance to repeat as Eastern Conference Southern Division champ.

However, St. Clair finished out its first full-winning season last Monday with a 25-0 win over Cass Twp. and that game won't be felt until Saturday's ratings are issued. Coal is now first and St. Clair second.

In the Northern Division, league leading Swoyersville, which played a scoreless tie with Coal finishes its 1956 slate against Nanticoke. The Sailors are far in the lead.

Second place and all - winning Wilkes-Barre Coughlin meets Larksville.
